

STUDENT DYNAMIX®

"It all begins with self-awareness"

Give your students the gift of DYNAMIX®

DYNAMIX® is a 31 page psychometric profile which will identify their unique communication preferences and 4 key indicators of success. DYNAMIX® is the starting point on a journey of ongoing personal development. Students will discover their unique communication style using our profile. **Red, Yellow, Green** and **Blue** communication preferences are measured using our easy-to-use **DYNAMIX®** Model.

Replace a book with DYNAMIX®

Students purchase and complete their **DYNAMIX®** questionnaire in 15-20 minutes on-line.

The DYNAMIX® workshop is engaging, inspiring and practical

You or our consultant will introduce **DYNAMIX®** in class with a highly interactive workshop designed to help students interpret their DYNAMIX® profile along with tips on how to communicate more effectively with others.

Your DYNAMIX® Class Project

You can include **DYNAMIX®** within your existing curriculum with one of our projects:
